Food	
Gas	
Entertainment (eating out, date night, etc.)	
Other Monthly Expenses (gym memberships, Netflix, etc.)	
Any large purchases coming up (vacations, car maintenance, etc.) Enter the total amount: \$_____. Divide this figure by 12 and enter the average monthly amount under 'COST'.	
Emergency Fund	
TOTAL MONTHLY EXPENSES:	

tables and worksheets

table 1.2 example

1b. Monthly Expenses EXAMPLE	
EXPENSE	COST
Rent/Mortgage (PITI)	1500.00
Electric (12-month Average)	125.00
Cable	200.00
Car Payments	500.00
Car Insurances	250.00
Health Insurance (ONLY if this is not paid for through pre-tax deductions)	0.00
Credit Card Payments	200.00
Phones	200.00
Food	300.00
Gas	300.00
Entertainment (eating out, date night, etc)	250.00
Other Monthly Expenses (gym memberships, Netflix, Student Loans, etc)	50.00
Any large purchases coming up (vacations, car maintenance, etc.) Enter the total amount: \$_____. Divide this figure by 12 and enter the monthly amount under "Cost".	0.00
Emergency Fund	50.00
TOTAL MONTHLY EXPENSES:	\$3,925.00

tables and worksheets

table 1.3 worksheet

1c. Determining your Disposable Income	
Enter TOTAL NET INCOME (1a)	
Subtract TOTAL MONTHLY EXPENSES (1b)	–
DISPOSABLE INCOME:	

table 1.3 example

1c. Determining your Disposable Income EXAMPLE	
Enter TOTAL NET INCOME (1a)	\$5,866.00
Subtract TOTAL MONTHLY EXPENSES (1b)	– \$3,925.00
DISPOSABLE INCOME:	\$1,941.00

tables and worksheets

table 1.4 worksheet

1d. Establish Your Wedding Budget	
Enter your DISPOSABLE INCOME (1c)	
How many months are there between now and your wedding date?	
Multiply your DISPOSABLE INCOME by the number of months between today and your wedding. This is your TOTAL SAVINGS.	
Will you be receiving any money from ADDITIONAL SOURCES? (i.e. parents, relatives, trust funds, savings, etc.)	
Add your TOTAL SAVINGS to your ADDITIONAL SOURCES. This is your WEDDING BUDGET.	

table 1.4 example

1d. Establish Your Wedding Budget EXAMPLE	
Enter your DISPOSABLE INCOME (1c)	\$1,941.00
How many months are there between now and your wedding date?	12 months
Multiply your DISPOSABLE INCOME by the number of months between today and your wedding. This is your TOTAL SAVINGS.	\$23,292.00
Will you be receiving any money from ADDITIONAL SOURCES? (i.e. parents, relatives, trust funds, savings, etc.)	\$10,000.00
Add your TOTAL SAVINGS to your ADDITIONAL SOURCES. This is your WEDDING BUDGET.	\$33,292.00
